

# We raised the bar with SSN Institutions in 1996. It just got higher. The Shiv Nadar University.

You are an exceptional 12th standard student. You are gifted in some subjects, but would want to explore others as well. You wonder what next to study and what career to pursue. Why not do both? The Shiv Nadar University is the only university in India where you pick and choose the subjects you wish to study. Your main subject being a Major, and the other being a Minor.

The University draws from the pool of learning and experiences of SSN Institutions, Chennai. Established by The Shiv Nadar Foundation in 1996, this top rated private engineering college has a decade long partnership with Carnegie Mellon University, USA and has an excellent placement record with over 20 percent of its alumni located overseas.

The University also has some of the finest faculty from around the world that will enable you to attain your true potential. So that tomorrow, others can follow in your footsteps.
